

Person-Centered Supports Policy and Participant Service Charter of Rights

1.0 Purpose

The NDIS Quality and Safeguards Commission aims to uphold the rights of people with disabilities, including the right to dignity and respect, and to live free from abuse, exploitation, and violence; this is in keeping with Australia's commitment to the [United Nations Convention on the Rights of Persons with Disabilities](#). Our organisation has used this statement as the basis of our policy.

The purpose of this policy is to empower people with disabilities to exercise choice and control in the support services they receive while ensuring appropriate protections are in place; and building the capacity of people with disabilities, their families, and their carers to make informed decisions about National Disability Insurance Scheme (NDIS) providers.

2.0 Scope

This policy applies to all Staff and participants. It's aimed at informing participants of their rights.
